United Energy is
giving a sizable
donation

For a 2nd straight year, Shelby County Co-op is teaming up with CountryMark fuels to give back to our community. Last year, a donation matching check of \$5,000 was presented to the Family Readiness Group for the families of the Shelbyville National Guard Unit.

On Friday, June 24, 2011 at participating stations, for every gallon of gas sold, **50¢ will be donated** to the FRG of Shelbyville. For every gallon of lubricant sold **\$1.00 will be donated**.

Shelby County Co-op will again be matching the funds donated by **100%**. Last year's event brought out lines of cars waiting patiently to fill up. With each gallon pumped, the donation was automatically made. The participating customers were given an American flag for their car window to show

their American pride.

Like last year, members of the Shelbyville National Guard unit, Shelby County Co-op employees and CountryMark employees will all be present to help pump gas and support our troops.

"It was a wonderful opportunity for us to share with the community our unique story about how CountryMark fuels are made from 100% American crude oil," said Bill Ryle, CountryMark Business Development Manager .

As always, 100% American-made CountryMark fuels and lubricants are available through your member-owned Shelby County Co-op. We continue to thank you for your patronage and business.

SEE YOU AT THE FILL UP!
