Fueling for Freedom

Another successful FUEL UP FOR FREEDOM benefiting the families of our troops.

For the 3rd year in a row, Shelby County Co-op participated in Fueling for Freedom along with local gas stations, Bonded, McCalip's and United Energy to raise money and show support for our local National Guard Unit and their Family Readiness Group. In conjunction with all-American CountryMark fuels, 50¢ of each gallon sold and \$1 of each gallon of oil purchased during the day on Friday, June 29th was donated to the Shelbyville National Guard's Family Readiness Group for their continued efforts in support of the National Guard families.

Over 300 participating customers received a vehicle flag as a **thank you** for their continued

support. A combination of customer purchases, cash donations, and corporate support contributed to the overall donation of \$5,000 to the Family Readiness Group.

Thank you again to all who came out to support the troops and their families. Thank you to all the volunteers who stood waving flags and encouraging customers. Thank you to Bonded Oil on Broadway Street in Shelbyville, McCalip's Service Station in Fairland and United Energy at SR 9 and US 52 for the dedication to this cause. Thank you to our troops and their families for making sure we keep our FREEDOM.

See you at the pumps next year!

hot dogs, popcorn, he does it all!

Racking up over 800 miles this summer, Shelby County Co-op liquid propane (LP) employee, Mike Mills, is the face of the Co-op at the local fairs.

Mike was tasked this spring with getting the word out about our great propane pricing and the programs we offer to help keep customer homes warm. LP sales have been up and down over the last few of years. One year it is ice and snow. The next year the grass stays green all winter long. The grain drying has been just as sporadic and unpredictable.

In an effort to put a face to our great customer service and pricing, Mike has been out knocking on doors and spending Saturday's giving away hot dogs at different spots in Scottsburg, Corydon, Bedford, and other locations around Southern Indiana.

Lately, he has traded his hot dog cooker for a popcorn machine and spending time at the county fairs. You may have seen Mike and his wife, Leigh Ann, manning our Shelby County Co-op booth at the Rush County or Shelby County fairs over the last couple of weeks.

They have been handing out bags of fresh popped popcorn and informing people of our great summer fill LP price and winter contract lock in price.

Next, Mike is heading to the Clark County fair in Charlestown, Indiana before finishing out the summer at the Preble County fair in Ohio.

If you see Mike, Leigh Ann or any of the other Co-op employees that are helping, stop by and say HI. Let them know you are a Shelby County Co-op customer and grab a bag of pop corn. Be sure you have plenty of time, Mike LOVES to talk about Shelby County Co-op and our great products and services.

Call Tangody, Lynet, Norma or Janet in the office to order your summer fill & lock in this winters low price at 800-223-4171 or 317-392-5677 or email at LP@shelbycountyco-op.com
