Spring Season Success!

What a Spring Season we had in the agronomy sector of Indiana and Shelby County! Shelby County Co-op's crops department was ready to go and had to wait on the rains to pass. Once farmers were in the fields we were right there with them.

Our crop employees put in many long days of 12 to 18 hours. We had too many days in a row, without a day off, to count. The management sends out a big **"THANK YOU!"** to everyone that worked those long hours. You did a great job of servicing our patrons.

Shelby County Co-op had product available when local competitors were unable to provide product to

their farmers. We were able to capitalize on those extra gallons, without missing anything for our long time patrons.

Mike Gibson, Ray's Crossing Branch Manager said,
"The crops branches work together to help get all the spraying, spreading and deliveries done. I want to personally thank everyone for their help. I am truly grateful to everyone who contributed this season."

Isaac Hinkle, West Branch Manager, said, "Every employee in the crops department deserves a giant pat on the back. They worked several tough days in row."

It has been a year since the death of Mike Mills' daughter, Erin, who was taken violently on June 11, 2017. To celebrate her life and support Mike and his family, we wore purple, Erin's favorite color, on June 11th.

2018 marks the 10th anniversary for **FUELING FREEDOM**. On Friday June 22 between noon and 5 p.m. at **McCalip's CountryMark** in Fairland, **Quick Pix** in Shelbyville and **United Energy** at Fountaintown, Shelby County Co-op and CountryMark donated 50 cents per gallon to the Shelbyville National Guard Family Readiness Group for every gallon of premium quality fuel sold. We were able to donate \$4884.95 from the fuel sold at these 3 stations!

Family Readiness Groups fund activities for troops and their families. Many of the Family Readiness Groups use their funds to host summer picnics, hold Christmas dinners, send packages to deployed soldiers, and offer after-school programs for

children of American soldiers.

Fueling Freedom 2018 had 39 CountryMark Stations participate and together, we sold 111,681 gallons of quality CountryMark fuels. Checks went to 28 National Guard Family Readiness Groups in three states for a total of \$53,840.50. Customers donated an additional \$8798.33, which brought the total donation to \$62,638.83. 100% of the proceeds from Fueling Freedom will go to support the Shelby County National Guard Family Readiness Groups.

Thank you to everyone that stopped by the McCalip's, United Energy and Quick Pix stations and filled up with premium quality CountryMark fuel.

With Deepest Sympathy

Mr. Phillip Eugene Boring, of New Palestine, passed away at age 78 on March 17, 2018. Phillip was the son of the late Eugene and Bernice Boring, and beloved husband of Janice.

Phillip is survived by his daughters, Rebecca (Jörg), Amy (John) and Susan (Larry); grandchildren, Allison (Addison), Aaron, Nathan (Moriah) and Emily; and, brother, Gary (Karyl). He was preceded in death by his sister, Kay.

He attended Moral Township School for grades 1-12. Phillip graduated from Purdue University, where he played basketball and rowed with the Purdue Crew. After graduating from Purdue, he served in the U.S. Army and then returned home to the family farm.

Phillip was a respected farmer in Shelby County. Boring Farms was founded by Phillip's great-grandfather in 1853. Phillip expanded Boring Farms and started his own corporation, LOI, with Janice. He served the Purdue Farm Policy Group, Indiana Farm Management Association, Indiana Pork Producers, International Flying Farmers and the Tomato Growers Association. He received awards and recognitions for his success and innovation in agriculture, including the Certificate of Distinction from Purdue University and the Roman Romanowski Award. He was a valued member of the Shelby County Co-op Board of Directors for 20 years.

After more than 52 years of serving our Shelby County Co-op and using the same company pickup for 14 years, Dave Barnes was caught by surprise when our co-op gave him the title to his pickup. "I am extremely pleased and humbled, what can I say but "Thank You" was Dave's reply. His Silver 2003 GMC has become a part of Dave's life and will continue to be a part of his life. Manager Frey said when he asked the board to consider allowing Dave to have ownership they said it would set a president that would be no problem in the future for any employee serving more than 50 years to our co-op.

**STAY SAFE!
SHARE THE ROAD**

With the Fall season in swing, you're bound to see more farm equipment on the roads. Please be considerate of our hard working local farmers who need to share our roads this harvest season!
